

ATTACHAT CHANNAKORN

Address: 27/3 Moo 1, Bang mak, Mueang Chumphon 86000, Thailand
Phone: 061-270-2493
Email: attachat.c@ku.th

WORK EXPERIENCE

- Handy2Talk (ACADEMIC PROJECT)**Sep 2025 - Nov 2025
- Position : AI Developer
- Designed a CNN GRU model for an English sign language translation system supporting 100 words.
 - Implemented an end-to-end pipeline covering data preprocessing, model inference, and web deployment
- Controlled water valve opening and closing using a PI controller (ACADEMIC PROJECT)**Oct 2025 - Nov 2025
- Position : Tester
- Managed full lifecycle of a cutting-edge automation project, meeting all milestones.
 - Conducted feasibility studies and risk assessments, mitigating potential project risks.
 - Collaborated with clients, leading to a 25% increase in customer satisfaction.
- Autonomous Drone For Bird Deterrence (ACADEMIC PROJECT)**Feb 2025 - Mar 2025
- Position : Academic & Research
- Developed a prototype autonomous drone system for bird deterrence.
 - Ran a YOLO-based object detection model on a Raspberry Pi for onboard processing.
 - Identified hardware limitations as a key challenge preventing full system deployment.

EDUCATION

- KASETSART UNIVERSITY AT KAMPHAENG SAEN CAMPUS**Jun 2023 - Present
- Bachelor of Engineering at Kamphaeng Sean
- Major in Computer Engineering
 - GPA: 2.88
- SRIYAPAI SCHOOL**Jun 2017 - Mar 2023
- High School Diploma (Science-Mathematics Program)

TECHNICAL SKILL

- Cybersecurity Tools:** Metasploit, Burp Suite, Gobuster, John the Ripper, Nmap, Wireshark, SQLMap
- Networking:** TCP/IP & OSI 7 Layers, HTTP/HTTPS, Ports
- Deep Learning:** Neural Networks, CNN, RNN/LSTM
- Programming Language:** C, Python, Java, JavaScript, PowerShell, Shell
- Framework:** Tensorflow, Pytorch, Scapy, Pandas, Scikit-learn, NumPy

ADDITIONAL INFORMATION

- Soft Skills:** Adaptable, Able to work under pressure, Strong communication skills
- Languages:** Thai (Native), English (Intermediate)
- Certifications:** Attended the AI FOR THAI by NECTEC, Cybersecurity 101 TryHackMe
- Activities:** Gained international work experience through the Work and Travel Program (2024–2025) in *Wisconsin Dells, WI* and *Williamsburg, VA, USA*.
